

# Your private oasis wherever you go

## Water!

### It's another job for the Long Ranger

**THE BIG  
TANK FOR  
A BIG  
COUNTRY.**

The Long Ranger water tank allows your Toyota Prado 120 series 4WD to carry a convenient 21 litres of fresh water to the driest outback camping spot...and it doesn't rob valuable car space, in fact it carries it's load under the vehicle maintaining a lower centre of gravity for safe road handling.

- Tough, light weight, non corrosive plastic construction
- No residual odour/taste
- Simple to install & use. Easy to clean. No modifications required
- Under door filler eliminates risk of contamination
- Designed for off-road conditions without hindering vehicles performance
- Fits with most towbars (inc: Toyota, Hayman Reese & ARB Towmaster)
- 3 year national warranty
