NEW PRODUCT

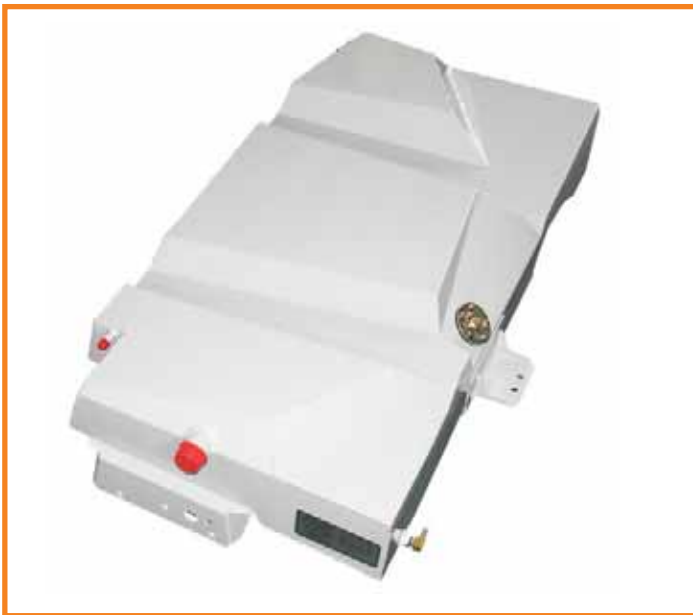

Toyota 200 Series

90L Longrange Auxiliary Fuel Tank

Part No TR68M to suit all model with factory sub tank

Don't quite have the range you need, this LongRanger Fuel Tank gives the owners of the new V8 Land cruiser a generous amount of fuel carried safely under the vehicle. Fitment of the LongRanger Auxiliary tank provides the user with a much needed boost in fuel capacity thanks to a 100% increase over the standard 45L sub tank. With a new total of 183L, after relocating the spare tyre to a swing away wheel carrier this combination has improved departure angle this combination offers great driving range and maximum ground clearance. All the factory filling and automatic fuel transfer systems are retained with the installation.

Features:

- 90L capacity
- 3 Year warranty.
- 2mm Aluminium coated steel construction.
- Full internal baffling.
- Fits with standard exhaust.
- The safest alternative for fuel storage.
- Improved departure angle with spare wheel carrier fitment.
- Uses the factory fuel transfer system.
- Easy fitting, supplied with complete fitting kit and detailed instructions.
- Australian made in a modern CAD/CAM facility.
