Toyota 200 Series

70L Longrange Auxiliary Fuel Tank

Part No TR68S to suit all models with factory sub tank

Don't quite have the range you need, this LongRanger Fuel Tank will give the owners of this new V8 Land cruiser the maximum amount of fuel carried safely under the vehicle along with the added convenience of retaining the spare tyre in the original location. Fitment of the LongRanger Auxiliary tank provides the user with a boost in driving range thanks to a 55% increase over the standard 45L sub tank to give a new total of 163L. All the factory filling and automatic fuel transfer systems are retained with the installation.

Features:

- 70L capacity
- 3 Year warranty.
- 2mm Aluminium coated steel construction.
- Full internal baffling.
- Fits with standard exhaust.
- The safest alternative for fuel storage.
- Spare tyre is retained in original position.
- Uses the factory fuel transfer system.
- Easy fitting, supplied with complete fitting kit and detailed instructions.
- Australian made in a modern CAD/CAM facility.
